NOT TO BE REPRODUCED WITHOUT PERMISSION FROM IMPA

Key Assumptions

Planning Assumptions

- Qualified, licensed pilots
- Mandatory pilotage areas
- Established performance benchmarks
- Trials within the current legal framework

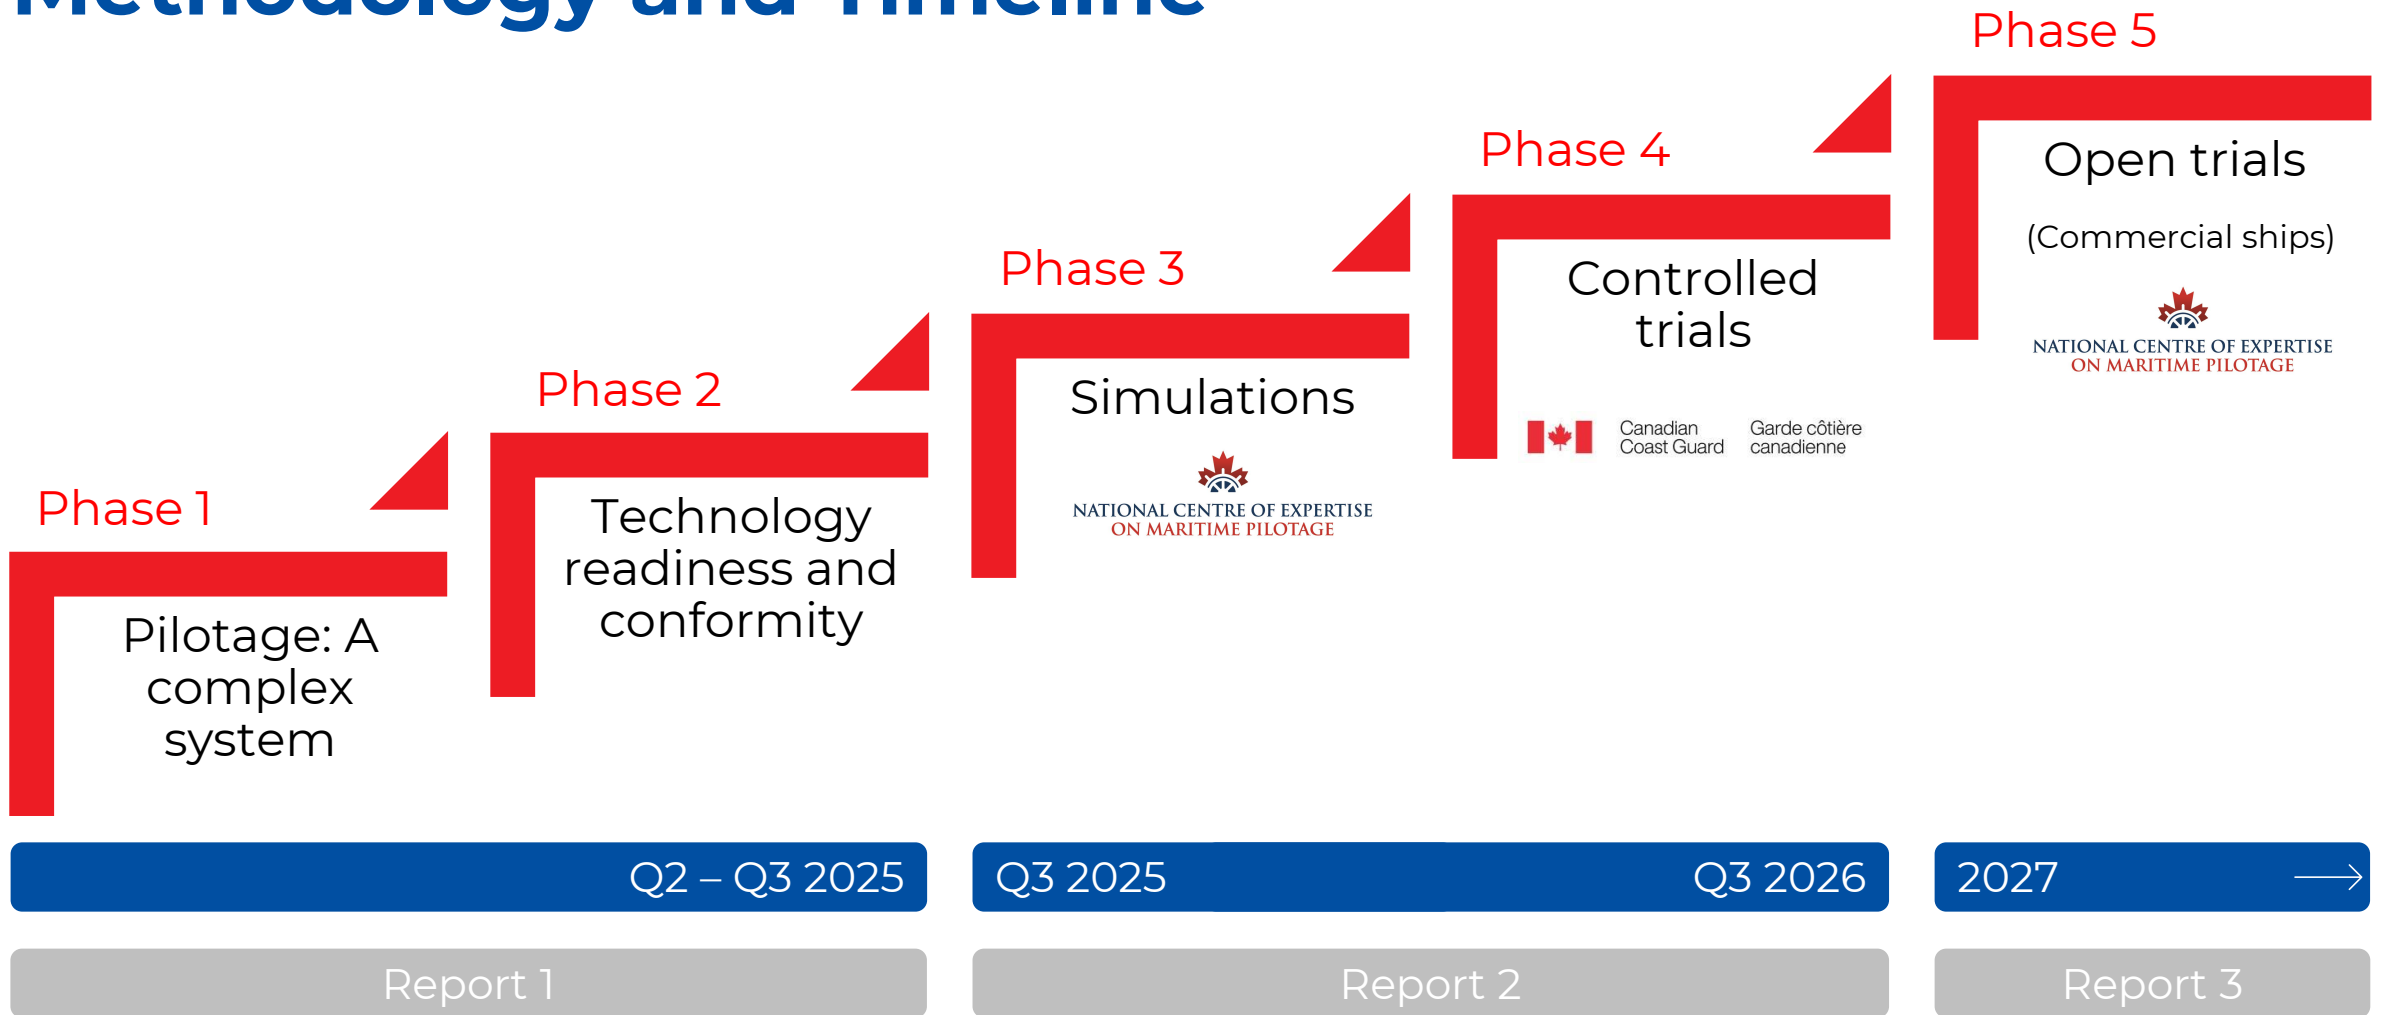

Outputs

- Quantitative and qualitative observations
- Cost-effectiveness analysis
- Public reports
- Reusable methodology

Out of Scope

- Remote navigation
- Navigation assistance service
- Recommendatory pilotage areas
- Technology qualification and certification

Methodology and Timeline

NOT TO BE REPRODUCED WITHOUT PERMISSION FROM IMPA
